

I am delighted to welcome you to our practice! I am pleased that you have chosen to spend your time with us, as I know that your time is important to you! My team of dental professionals is fully committed to providing all of our patients with the best total dental experience possible.

As a graduate of the Indiana University School of Dentistry, I have practiced in the Harrison area for nearly 20 years. I have received extensive training from the Pankey Institute, one of the most prestigious learning institutes for dentists, and I am currently the President Elect of the Ohio Academy of General Dentistry. My office is committed to your dental health and I personally guarantee the dental services that we provide.

I have reserved approximately 70 minutes especially for your first visit to my office. When you arrive we will seat you promptly. To expedite this process, I ask that you complete the above patient forms and bring them along with you at your reserved time.

We look forward to meeting you! Come.....be our guest!

Sincerely,

Diane T. Arel, DDS, MAGD
