dental SAVINGS PLAN

with MEMBERSHIP BENEFITS

Proper dental care is so very important. Then again, so is your family's budget. At Schambeau Dental Care, we strive to provide affordable care for everyone but without dental insurance, many customers find it difficult to cover costs of care. Quite simply, that's why we chose to offer a savings plan that functions much like a membership. One simple annual fee and you can enjoy many regular dental visits at no charge and substantial savings on other related procedures Best part is: YOU have control over your money. No surprises. No red tape.

“Quite simply, our sense of commitment to each patient led us to this savings plan. For proper dental health to be available to everyone, it has to be affordable.”

No Pre-Existing Conditions Limitations 🦷 No Annual Maximum Limits
No Deductibles 🦷 No Frequency Limitations 🦷 No Missing Tooth Clause
No Pre-Authorizations required to determine eligibility
No surprises regarding coverage

YOU AND DR. KEVIN SCHAMBEAU CAN WORK TOGETHER TO MAKE DECISIONS WITH NO THIRD PARTIES DETERMINING WHAT TREATMENT YOU WILL NEED AND IF IT WILL BE “COVERED”!

THE FINE PRINT

We made this section easy to read because there is no real fine print. You'll find no legal jargon below. If you have any questions, please let us know. The Schambeau Dental Savings Plan is YOUR savings plan. Make the most of it!

This is not a dental insurance product. It is an In house Discount Dental Savings Plan that can only be used at Schambeau Dental Care for individual patients and dependent children through the age of 26.

Patient understands fees must be paid at the time services are rendered and any service not paid at the time of service will be billed at the usual, customary, and higher standard fees and not the discounted rate.

Savings Plan can not be used in the following methods:

- with any insurance or other offers
- for treatment addressing injury covered under workman's compensation or disability insurance
- for treatment that, in our treating dentist's sole opinion, lies outside of our expertise/capability
- for treatment to/by a referred specialist
- for treatment with another dentist
- for hospitalization or hospital charges of any kind
- for costs of care which are covered under automobile medical claim
- for treatment following any type of injury where a lawsuit is involved

Certain Cosmetic procedures may not be covered under the Savings dental plan. Initial Membership fee is not refundable, even if the participant does not utilize the Savings Dental Plan during the enrollment year period. \$50 reinstatement fee will be charged in the event there is a lapse in enrollment. Benefit coverage is subject to revision/change annually. Plan is non-transferable.

If you choose to extend your payment for treatment by paying through CareCredit and/or any other outside financing company, the Restorative/Corrective treatment discount is reduced to 10% due to merchant fees. Membership fees are due and payable in full at the time of initial registration which will also be your effective/anniversary date and will be noted in your computer chart. This is an annual/yearly plan. Savings plan coverage expires at the end of the membership year unless membership is renewed with full fee payment.
