NON-COVERED SERVICES POLICY

As your dentist, I want to provide you with your choice of dental services. There may be certain services that you select that are not covered by your insurance company. For those services you will be expected to pay the fee schedule difference for that service or pay for the service in full. For one example, procedures that are cosmetic in nature and requested and agreed upon by patient are not covered by your contract and you will be responsible for payment in full.

Let me reassure you that only services necessary and appropriate for your treatment and care will be performed. If you have any questions, our financial coordinator will be happy to assist you. Thank you for your understanding.

I have read your policy and agree, as indicated by my signature below, to pay for services that are not covered or for which payment is not allowed by my contract.
