

The CSDA is supporting a fundraiser for Congressman John Larson on Friday, August 22nd, time to be decided. Dr. Bob Grillo will host the event at his home.

The reason that you have received this email is that for any fundraiser, especially at the Congressional level to be successful, there must be an active steering committee. This committee takes the list of invitees, divides it up, and calls, and performs follow-up calls to colleagues to attend and contribute. The committee also communicates with each other, as well as with myself who will be working with you and the Chair's, on a regular basis especially when commitments are reached so that we always know where we stand in relationship to our fundraising goal. Only dentists who LIVE in Larson's district will be invited (approximately 450 dentists). The Chair's of this committee are Dr. Bill MacDonell and Dr. Carolyn Malon. **You have been invited to participate on this committee because you also live in Larson's district, AND you have been recognized as being a leader by your peers.**

We sincerely hope that you will accept this position and help us to have a successful dentist-driven event for Congressman Larson. Please confirm with me by responding to this email at your earliest convenience as to whether you are willing to accept this position or regret that you cannot. The dentists who have received this email are:
