Marwan Khalifeh, M.D.
125 S. Linwood Avenue
Baltimore, MD 21224

Dear Dr. Khalifeh:

Congratulations! The American Board of Plastic Surgery, Inc. takes pleasure in informing you that you have successfully completed the November 8, 9, 10, 2007 Oral Examination in Phoenix, Arizona. You are now a Diplomate of the Board. Enclosed is your Performance Report provided by Measurement Research Associates for your reference.

You can expect to receive your certificate, attesting to your Diplomate status with The American Board of Plastic Surgery, Inc., in approximately four months. Your certificate will be imprinted with your name, certificate number, date of issue and expiration date. Your certificate number will not be the same as your candidate number.

Since 1995, certificates issued by the Board are dated and valid for 10 years. Revalidation requires successful completion of all steps in the Board's Maintenance of Certification (MOC-PS) Program. Details about the program may be obtained on the Board's website at www.abplsurg.org. Your first requirement for completion of Part I and Part II will be due in 2010. For your convenience, an MOC-PS brochure is enclosed.

The Board Office will submit your name, address, (social security number and date of birth for ID reference not publication) to the American Board of Medical Specialties (ABMS). If you do not wish the Board to submit this information to ABMS, please notify the Board Office in writing no later than February 22, 2008. ABMS will contact you directly for inclusion in their next Directory. The Board will also notify the American Society of Plastic Surgeons, Inc. (ASPS), regional Plastic Surgery Societies and the American College of Surgeons (ACS) of your certification.

It is important that you continue to keep the Board informed of your current address. Please notify us of any future address changes via your Physician Profile on the Board's website.

Best wishes for continued success.

Sincerely yours,

R. Barrett Noone, M.D.
Executive Director
RBN/mmr
