Registration/Cancellation/CE Credits
To provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course and registration is accepted on a first-come, first-served basis. Full tuition payment must accompany all registration forms. Registrants unable to attend their course can obtain a refund (less a \$50 administration fee) by notifying 3i in writing, no later than 14 days prior to the course date. Cancellations past that date will be subject to an additional penalty. 3i reserves the right to cancel a course no later than 14 days prior to the course date. Continuing Education Credits awarded in the U.S. for participation in the CE activity may not apply towards license renewal in all states. It is the responsibility of each participant to verify the requirements of his/her state licensing board.

And

Synergy Training Program[®]

A Mini Residency in Restorative Implant Dentistry

Successful implant dentistry is the result of a team effort. The best outcome is realized when each member of an implant team coordinates his/her efforts with other members. This approach is being applied to the practice of implant dentistry through the **3i SYNERGY TRAINING PROGRAM[®] (STP[®])**.

Please join us for this innovative educational program where you will have the opportunity to train and practice together.

Dear Colleagues

We will have opportunities to:

- Learn hands-on treatment planning
- Treat your own patients in this clinical setting
- Develop appropriate fees
- Learn presentation pearls to enhance acceptance of your treatment plans

Please join us for this unique and useful presentation.

Dr. Michael Burnham

The Program Includes:

- Five (5) sessions
- Thirty-five (35) hours of CE upon completion
- Restorative Torque Indicator Kit
- Patient education materials
