CONTINUING EDUCATION FOR PROFESSIONALS

8216 W. Oakton Street

Niles, IL 60714

(847) 685-6686 Fax: (847) 685-2082

PRESENTS: Samantha Chou, DMD

“Providing Edentulous Patients Optimal Design and Options in Implant Retained/Supported Prostheses”

Dr. Chou received her dental degree from Nova Southeastern University, College of Dentistry in Ft Lauderdale, FL and her advanced degree in Fixed and Removable Prosthodontics from the University of Illinois in Chicago. She is currently working in private practice focusing on full mouth reconstruction, implant prosthetics and All-on-4 immediate load technique, and has conducted numerous presentations on implants and implant related restorative dentistry. Dr. Chou is a member of the American Dental Association, the American College of Prosthodontists, American Academy of Fixed Prosthodontics, Illinois Dental Society and various other local dental societies and study groups.

Course Objectives

- Discover treatment planning options, optimizing esthetics and phonetics of prosthesis, implant position, cross arch stabilization, and all on 4 immediate load techniques.
- Learn how to improve retention, including impression techniques for different edentulous ridge morphologies.
- Understanding dentures versus implant retained versus implant supported treatment options along with case design and CAD/CAM design.
- Increase predictable results through enhanced laboratory communication.
