CONTINUING EDUCATION FOR PROFESSIONALS

8216 W. Oakton Street

Niles, IL 60714

(847) 685-6686 Fax: (847) 685-2082

PRESENTS: Lou Graham, DMD

“Advancements in Direct and Indirect Adhesive Dentistry”

Dr. Graham is an internationally recognized lecturer extensively involved in continuing education for dental professionals, focusing on incorporating current clinical advancements through “conservative dentistry.” He is the founder of Dental Team Concepts a continuing education company whose philosophy and programs use contemporary, interactive formats to integrate time-proven conservative dentistry with 21st century materials and techniques. Dr. Graham is a published author in many leading national and international dental journals. He is the former Dental Director of the University of Chicago’s Department of Dentistry a member of the American Dental Association, American Academy of Cosmetic Dentistry, Academy of General Dentistry, Chicago Dental Society and Illinois Dental Association. His private practice, University Dental Professionals, is in Chicago, IL.

Course Objectives

- Understand fully the how and what to use along with choices for successful restorative care.
- Discover the latest on lights and why success is totally dependent on your light and the right technique and light source!
- Learn the latest on stress reducing materials and why they are not a fad.
- Understand Total Etching versus Self Etching...the debate goes, but all of them are becoming so good. We will discuss what to use, where and why and all the options.
- Learn how do glass ionomers fit into the equation along with CaOH, 2% chlorhexidine, Sodium Hypochlorite and more,
- Learn Class 1, 2, 5 direct techniques using all of the above and additional tweaks into your direct composites.
- When do you stop drilling, thoughts for how to incorporate new techniques.
- Update your knowledge on the latest on matrix bands and getting great contacts.
- Discover Single tooth anesthesia....I couldn’t live without it, case demonstrations showing you why.
