## “HEALTHCARE CPR”

**April 27, 2012**

Erik Kramer is one of the lead instructors for the medical educating company Save-A-Life-Inc., a company that has been educating the public since 1991. He is also a Lieutenant with the Addison Fire Protection District, where he has served for over 14 years, and has been a licensed paramedic for over 19 years. He offers expert public training in CPR throughout the Chicagoland area.

### COURSE CONTENT

This course is one of the essential steps in our preparation for a medical emergency and provides you with CPR certification as required by the Illinois Dental Practice Act. This course covers core material such as adult and pediatric CPR (including two-rescuer scenarios and use of the bag mask), foreign-body airway obstruction, and automated external defibrillation.

### COURSE OBJECTIVES

- Learn the skills of CPR **for victims of all ages** (including ventilation with a barrier device, bag mask device and oxygen),
- Master the use of an automated external defibrillator (AED) and relief of foreign-body airway obstruction (FBAO).
- Earn your CPR Certification

OPTIONAL: If you would like to purchase the book, American Heart Association Healthcare Provider, prior to the course, it may be purchased by contacting the distributor, World Point 1-888-322-8350.
