

POLISH AMERICAN MEDICAL SOCIETY DENTAL STUDY CLUB

AND

PRESENT: **DR. SAM SIMOS**

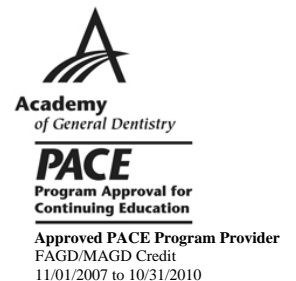

“TREATMENT PLANNING FOR THE EXCEPTIONAL OFFICE”

Dr. Sam Simos is nationally recognized as a leader in cosmetic and restorative dentistry. He received his Doctorate of Dental Surgery at Chicago's Loyola University. He teaches post-graduate courses to practicing dentists on cosmetic dentistry, occlusion, and comprehensive restorative dentistry through Allstar Smiles' state-of-the-art Learning Center and client facility in Bolingbrook, Illinois and throughout the country. He is one of 50 leading dentists nationwide who as part of the Dental Team Concepts & Catapult coterie, promote awareness, communication, and education within the dental profession. Dr. Simos is the founder and president of Allstar Smiles and the Allstar Smiles Learning Center.

Course Objectives

- ◆ Learn what separates offices that struggle to produce \$20-25K/month from those that produce \$100K+/month.
- ◆ Using technology you already own to increase patient acceptance.
- ◆ Understanding Team Togetherness & how it affects TP acceptance.
- ◆ Understanding how communication within society has changed so that we are better able to connect with our patients.
- ◆ Dentists and their teams will learn how to increase the practice's bottom line on Monday morning!
