

Hawaii Plastic Surgery Associates

Medical Aesthetics Center and Day Spa

Welcome to Hawaii Plastic Surgery Associates and Medical Aesthetics Center and Day Spa, where beauty and medical-grade quality skincare blend to help you achieve healthy, vibrant skin. It is our goal to combine the best techniques and technology to meet your needs and to provide you with an honest and sensible approach to achieving optimum skin health. Allow our qualified staff to indulge you with one of our many rejuvenating and nourishing treatments. From advanced skin resurfacing treatments and Botox® to microdermabrasion facials, treat yourself and indulge in an environment of professionalism and beauty.

Pure and Simple Facial \$45.00 (Approx. 30 min.)

We invite you to indulge in an introductory treatment that combines cleansing, gentle exfoliation and a personalized facial mask. Customized for every clients skin type, your skin will feel clean and refreshed.

Rosacea Facial \$75.00 (Approx. 50 min.)

A soothing spa treatment specially designed for hypersensitive skin prone to redness and breakouts. The use of a cool silver compress with Kojic acid will soothe, calm and renew your skin. Leave feeling clean and refreshed.

Ultimate Spa Facial \$75.00 (Approx. 50 min.)

Experience pure relaxation in our ultimate spa facial that provides deep cleansing, exfoliation, a hydrating mask, and pore extraction that delivers a healthy tone. Also, enjoy a soothing hot mitt hand treatment and massage.

Clarifying Facial \$85.00 (Approx. 50 min.)

The ultimate treatment for acne management, the Clarifying Facial helps to restore adult or teen acne-prone or oily skin to a healthy, balanced state. A deep cleansing and gently detoxifying treatment will work to reduce inflammation and redness for a truly clarifying experience.

Fire and Ice Facial \$115.00 (Approx. 50 min.)

Stimulate your senses with this unique treatment that combines two therapeutic masques to gently and safely resurface your skin. A combination of powerful antioxidants and glycolic work synergistically to reduce, smooth & soften wrinkles while soothing and hydrating your skin.

Chemical Gel Peel* \$115.00 (Approx. 50 min.)

Hyperpigmentation/Anti-Aging
20% Glycolic Acid & 10% Lactic Acid

Allow your skin to be revitalized and renewed with a unique combination of glycolic and lactic acids that work synergistically to exfoliate, reduce irritation, and dryness. This light, non-invasive chemical peel is specifically designed to stimulate collagen and elastin fibers, while reducing fine lines and wrinkles.

**Purchase a series of Five and receive the Sixth free for \$575.00*

Chemical Gel Peel* \$115.00 (Approx. 50 min.)

Oily / Problematic Skin
20% Salicylic Acid & 10% Mandelic Acid

Gradually improve the appearance and texture of your skin without irritation or disruption with this specially designed mixture of salicylic and mandelic acids. Both work to gently exfoliate congested skin, while accelerating collagen production. Helps to dissolve sebum and cellular debris, allowing your skin to feel fresh, clean, and beautifully enhanced.

**Purchase a series of Five and receive the Sixth free for \$575.00*

Microdermabrasion Facial* \$125.00 (Approx. 50 min.)

A non-invasive skin polishing treatment using a Diamond Tome technique where finely crushed diamonds help to reduce fine lines, stimulate collagen, eliminate superficial hyper pigmentation and mild acne scarring, leaving your skin feeling smooth and renewed. Includes a heavenly hand massage. (For optimal results, it is recommended that these treatments be performed in a series of 6 to 8).

**Purchase a series of Five and receive the Sixth free for \$625.00*
