

Computerized Placement of Dental Implants

Teeth in an Hour[™]

For Denture Wearers: No More Messy
Adhesives!

(As featured on **Good Morning America** and
in **Forbes Magazine**)

- Permanent, Beautiful Implant Supported
Teeth
- Discreet transition from dentures, never be
without teeth
- One short surgical visit, minimal discomfort

Teeth in a Day[™]

For patients who want a Superior Alternative
to Removable Partial and Full Dentures

- Do you have loose, broken or missing teeth?
- One surgery to remove teeth and replace
with beautiful implant supported teeth
- Restore your self esteem... start smiling again
