

MEDICAL ISSUES in Dentistry

On April 19, 2007, the American Heart Association (AHA) released an update to its guidelines for the Prevention of Infective Endocarditis. The new guidelines indicate that fewer dental patients will need to receive antibiotic prophylaxis prior to treatment. Examples of patients who would require antibiotic prophylaxis include those with artificial heart valves, a history of endocarditis and certain serious congenital heart conditions.

All cardiac patients currently receiving antibiotics prior to their dental appointments will continue this regimen and will be required to have an updated medical consult if they wish to stop taking antibiotics prior to their dental appointments. These guidelines apply only to patients with cardiac conditions. All patients with joint replacements will continue to follow the recommendations of the American Dental Association and the American Academy of Orthopaedic Surgeons which can be found at <http://www.aaos.org/about/papers/advistmt/1014.asp>

ZOOM SPECIAL

It's here. Zoom Advance Power gives more patients the ability to obtain an even brighter smile than Zoom 2 has. If you want immediate results, need that extra help or simply don't have time to bleach at home, consider Zoom Advanced Power. Schedule now and save \$200 off of Zoom AP or Zoom 2 through Aug. 31, 2007. Our kits also include take-home whitening trays and gel for touch-ups. Be sure to ask about Nite White TURBO for a faster, brighter smile at-home. You must be cavity free prior to bleaching so be sure to have all of your fillings completed prior to this. Cosmetic patients should bleach prior to fabrication of crowns, bridges or cosmetic bonding.

FROM THE DESK OF DR. REYES

Dear Friend,

We are happy to announce the distribution of our first office newsletter. With it, we hope to keep you up-to-date on special offers, dental topics and other office happenings. We welcome your feedback and look forward to being able to provide you with this new service.

Sincerely,
Dr. Reyes and Staff

WHO'S THE NEW GIRL?

Lupe is the newest addition to our team. She graduated from Pima Medical Institute's dental assisting program in 2005 and worked as a lead dental assistant in a specialist's office.

Lupe fills an important role in our office by fulfilling both back-office and front office duties. You will find her assisting side-by-side Dr. Reyes or Sonia during many procedures. Lupe has lived in Arizona most of her life. Lupe earned a culinary degree from the Scottsdale Culinary Institute and puts it to good use. She also enjoys exercising and outdoor activities. Lupe is bilingual and fluent in Spanish.

COMMUNITY SERVICE

Healthcare Fights Hunger

We are proud to announce our participation in a very important community program called Healthcare Fights Hunger. We need your participation to make this food drive a success! We encourage you to donate food items, such as tuna, cereal, peanut butter, or canned fruit. The food drive will continue throughout the month of June. All food will be collected at our location and will be distributed to social service agencies in our area. This is a wonderful way for you to contribute to the wellness of our own community. We hope we can count on you to participate. Thank you for your support!
