

Halloween Candy Buy Back

Support the Troops with a Sweet Treat

\$1 Per Pound of Candy You Donate!

Dear Patients,

Once again this year ALL Brite Dental will be participating in the Candy Buy Back Program. This is an amazing program that sends care packages to troops overseas during the holidays. The Halloween candy you donate will be used to fill these care packages with the help of Operation Gratitude. Troops share the candy with members of their unit to brighten their day, but it can also be an effective combat tool to win the hearts and minds of the local population, which in turn can lead to saving many lives. When the troops share the candy with children and families in and around the

villages in which they are patrolling, the locals often provide intelligence about insurgents, Improvised Explosive Devices (IEDs) and other dangers.

We ask that on November 1st the Monday after Halloween that you and your children drop of your candy at our Dearborn office between the hours of 4 – 7PM. In return children will receive \$1 per pound of candy donated plus other gifts. In addition this year All Brite Dental will donate a dollar for every dollar paid in the form of a scholarship to the Dearborn school district up to \$2000. If you have any additional question please contact the office at 313-562-3388
