February is Dental Health Month. Now is the time to ask yourself if it's time for your check-up and cleaning, or whether you need to make an appointment to finish your treatment plan. Are your children overdue for their regular six month appointment? Spring Break is fast approaching and there are still a few spots left so call MEGAN today.

## Office news

We are very pleased to announce that our former hygienist, Teresa Smith, is working here again on Tuesday, Wednesday and Thursday. Along with Kristi and Katie, our hygiene department is top-notch!

*Congratulations to Tonya and Eric on their recent marriage! We are so excited and wish them many blessings and a long future together!*

## It's a Girl!

*Congratulations to both Tosha (dental assistant) and Candice (financial coordinator)! Both are expecting baby girls over the next few months!*
