Discussion and Informed Consent for Tooth Whitening (Bleaching) Patient Name: Date: Diagnosis: **Facts for Consideration** Patient initials required ___ I understand yellow and brown stains usually lighten better than gray or blue stains. Some stains return after treatment is discontinued. Retreatment may be required. Teeth with multiple colorations, bands, or spots due to tetracycline use or fluorosis (discoloration of tooth enamel) do not whiten well and may need multiple treatments or may not whiten at all. I understand that teeth with many fillings may not lighten and are usually best treated with other non-whitening alternatives. _ I understand that whitening treatments only lighten the natural tooth structure and cannot lighten crowns, veneers, composite, or other restorative materials. I understand professional in-office whitening may require more than one office visit. Most whitening treatments will result in teeth lightening one-to-two shades on a dental shade guide. If I choose to participate in an at-home whitening program, I understand there are specific instructions that I must follow. Dr. _____ has given these instructions to me, and I understand my responsibility when using these products. Benefits of Whitening, Not Limited to the Following: ____ I understand that participating in whitening treatments can whiten my teeth, giving me a healthier-appearing smile. Risks of Whitening, Not Limited to the Following: _____ I understand tooth whitening is unpredictable and there are no guarantees that tooth whitening will work. ____ I understand tooth whitening may cause teeth to become sensitive. Should sensitivity occur and persist for any length of time, I will notify Dr. ______. I understand that the gums and/or soft tissue in my mouth may be exposed to the various agents used in whitening procedures which may cause an allergic response or inflammation. This could also be due to an inadvertent exposure of a small area of those tissues to the whitening gel or ultraviolet light. If this happens, I will contact Dr. I understand it is impossible to place a specific time frame on how long the lightened appearance of whitened
