

*biography...*

Dr. Patricia London, a Kannapolis native, received her BS in Zoology from North Carolina State University and graduated in 1981 from the prestigious University of North Carolina at Chapel Hill School of Dentistry. Dr. London has been practicing dentistry at the same location in Concord since 1982. She supports our community by allowing high school internship opportunities and awarding annual scholarships for further education in the dental field. Dr. London says she is a student for life in the endless challenge of staying on the cutting edge of advanced dental technology. She also holds membership in numerous local and national organizations. Dr. London is a member of the ADA, NCDS, Cabarrus Dental Society, American Academy of Laser Dentistry, American Academy of Cosmetic Dentistry, American Academy of Esthetic Dentistry, and the American Association of Women Dentists.

When she is not in the office, Dr. London enjoys spending time with her three children and their wonderful families. Traveling and reading are her other passions.

*location...*

Our office is conveniently located in historic downtown Concord, at 213 Church St., NE., just minutes from Carolina Mall and I-85. Look for Flossy, our lavender Volkswagen bug parked in front of the office.

*hours...*

We are open Monday through Thursday - 7:30am until 4:00pm. We also reserve Fridays every season for college students or for pre-arranged appointments.

**we bring  
out the  
smiles  
in you!**

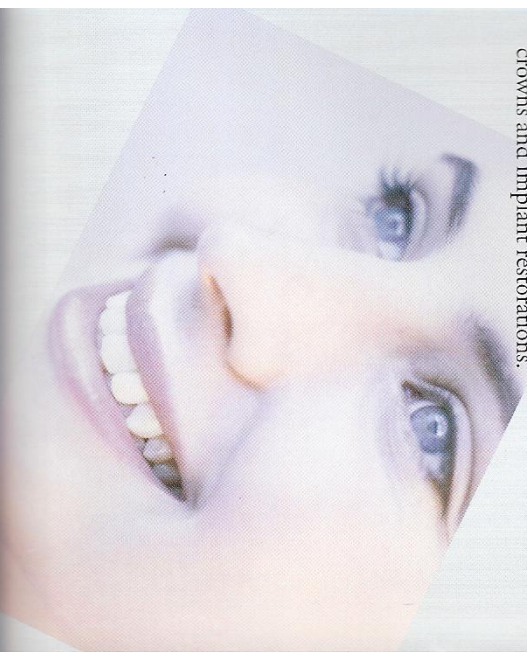

*Over 25 years  
of giving our  
patients healthy,  
beautiful smiles*

# Welcome...

*Dr. Patricia London and staff would like to welcome you to our family and cosmetic dental practice located in Concord, NC, where we have been creating smiles for over 25 years! Our goal is to make your visit as relaxed as possible and to provide quality dental care, whatever it takes to make you look and feel great. We can make a difference in your life!*

## our services...

Our professional team will provide you with the latest in dental technology, specializing in Family Dentistry, Children's Dentistry and Cosmetic Dentistry. We also offer veneers, whitening and Invisalign. Dr. London is certified in Biolase Dentistry and can perform many procedures using a laser instead of a "drill". We are committed to helping our patients maintain a lifetime of superior oral health and are strong advocates of preventive dentistry - save a tooth whenever possible. We also offer beautiful life-like crowns and implant restorations.

## your first visit...

When you visit us for the first time you will receive one of the most thorough yet enjoyable exams you have ever experienced. During this visit we hope to create a relationship of trust with each of our patients. Please share your questions or concerns about your dental health so we can work together to meet your needs and give you an attractive, healthy smile - one you'll want to share.

## Payments & insurance...

Payment is expected at the end of your visit unless prior arrangements have been made. We accept CareCredit which allows you to schedule treatment right away and use their plan to pay for your treatment with either no interest or conventional financing options. Patients may apply online at [www.carecredit.com](http://www.carecredit.com), by phone at 1.800.365.8295 or come by our office to complete an application. We accept most insurance carriers. Please call us and our staff will help determine your dental benefits as estimated by

## appointments...

Our staff works hard to keep appointments on schedule and the office running smoothly. If for some reason you cannot keep an appointment or will be delayed, please call as soon as possible. Appointment changes made with less than 24 hours notice may incur charges.

## emergencies...

We always have someone available for emergency care. In the event of an emergency, we want to treat you immediately so please do not hesitate to call our office for instructions at **704.782.1012**.
