

NEW PATIENT REFERRAL PROGRAM

By referring new patients to us and helping Cudahy Dental Associates grow, you are entrusting us to welcome your family and friends to our practice. We have something for you as well.

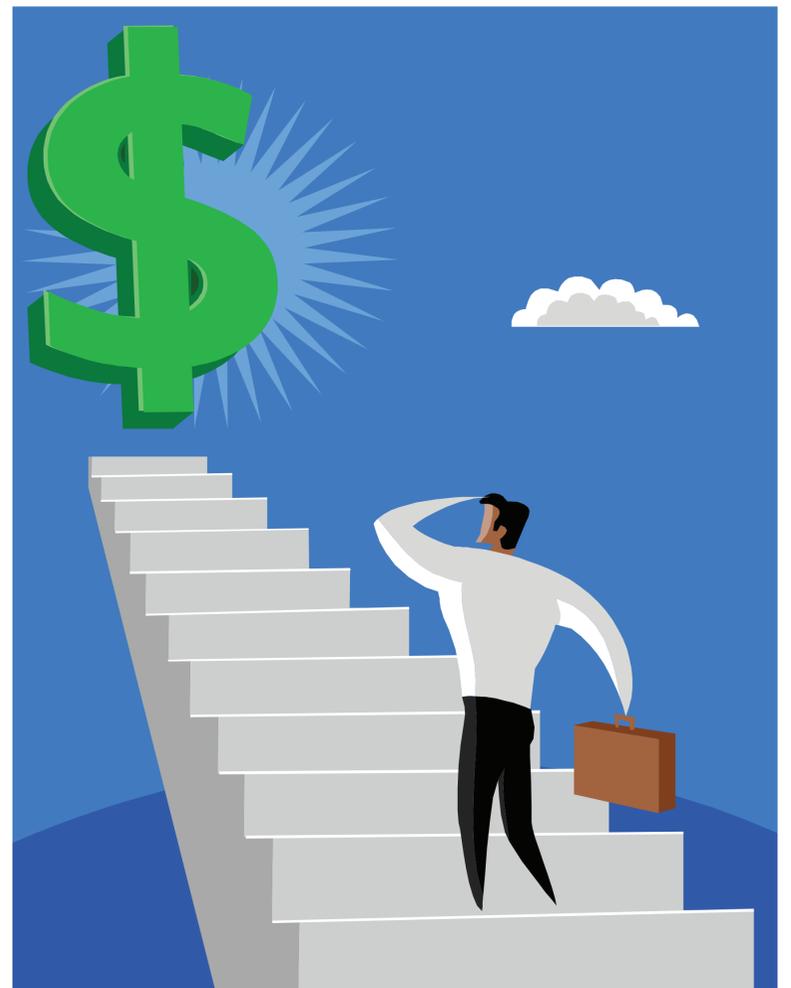

We would like to announce our new patient referral program. If you refer a patient to our office and that patient reports your name in the “referred by” section of our patient registration form, you will receive credit for a successful referral.

The program is simple. It works like this:

- ◆ You get a \$25 Marcus Cinema gift card for each person you refer to our office.
- ◆ If you refer 5 or more people to our office within one calendar year, you will receive a \$50 Target card, in addition to the \$25 Marcus Cinema gift card per referral.

WAIT! THERE'S MORE...

Each successful referral to our practice is worth one entry into a grand prize drawing for a \$500 Visa gift card. The lucky winner of the gift card will be announced on December 5th, 2014.

OFFICIAL GIFT CARD DRAWING RULES:

- ◆ A maximum of one award will be issued per family referred (i.e., if you refer a family of 5, you will get credit for one referral).
- ◆ The person referred to our office must schedule and keep an appointment for a referral to be considered successful, and must not be a patient who has received dental care by the practice in the past 3 years.
- ◆ The \$500 gift card drawing applies to all new patient referrals that are seen in our office between December 1st, 2013, and November 30th, 2014. The winner will be announced on December 5th, 2014.
- ◆ Must be 18 years or older to participate.
- ◆ Employees are eligible to participate. Any patient who falls under “employee benefits” is not considered a referral.
