

WATERFORD DENTAL HEALTH
BROKEN/NO SHOW POLICY

- We at Waterford Dental health strive to provide the best care for every patient in our office; therefore, in the event that you cannot make your appointment, we ask that you provide us with as much prior notice as possible (24 hours). A fee of \$50.00 will be charged to your account for any broken appointment. This fee is not covered by your insurance and you will bear complete financial responsibility.

Our office policy states that 3 consecutive broken appointments may result in a dismissal from the practice. Our intent is not to lose patients, but to allow those in need to get the care they require in a reasonable amount of time.

Thank you for your consideration,

Dental Accounts Manager
