Very professional. Going to the dentist is usually a dreadful experience; however, this experience was wonderful!

Doc Liza, You and Edgard, make a great team. As usual, you very gentle. The downside, I miss Sara. She was great and warm. I kind of miss that on my last visit.

"Wonderful"

Going to the dentist has always been seen as a negative experience. I have to say that your professionalism, your warm personalities put me at ease. Also the procedures that I had done I did not feel a thing and were done quickly and done well.
