*“At Millennium Dental Arts, we strive to provide a dental experience that exceeds your expectations in a caring, comfortable, safe, and professional atmosphere. My team and I promise to provide world-class preventative care to enhance your smile, improve and maintain your dental health, and help you to prevent future dental problems.”*

**In order to completely understand your expectations and desires, we would like to know more about you. Please take a moment to answer the following questions so that we can individualize and personalize your care, and serve your dental needs in the best manner:**

What do you expect from your visit with us today?

---

What is most important to you about your dental health?

---

On a scale of 1-10 (10 = highest), how do you rate your overall dental health? Why?

---

What would you like your teeth to be like in the next 5, 10, or 20 years?

---

Are you aware that there are many medical conditions related to dental disease?

---

Did you know that about 80% of adults have periodontal disease? What do you know about periodontal disease? Do you have a history of periodontal disease?

---

If you could improve anything about your smile or chewing, what would it be?

---

Are there foods that you enjoy but cannot eat due to sensitivity or discomfort with your teeth?

---

Do you ever hide your smile or deliberately keep your mouth closed during photographs?

---

Do you experience any apprehension before or during dental visits? If so, please explain.

---

Is there anything in particular which you did not like about your previous dental visits? Is there anything specific we can do to make your dental experience with us more pleasant?
