

Pediatric Dental at Bridgeport

Dentistry for Infants, Children & Teens

Ben Kang DMD, MS, PC

Dear Parent or Guardian,

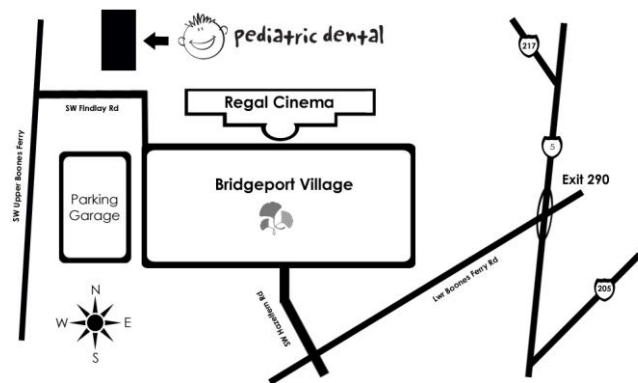

Welcome and thank you for choosing our office in providing dental care for your child. We realize that all children react differently to a new environment, and we will do everything possible to ensure that your child's dental visits are a pleasant and rewarding experience.

To help accomplish this, we would like you to read the following:

- Please have your child use the restroom prior to checking in for the appointment. The restrooms are located on the second floor across from the water fountain. We do not have a rest room in our office.
- Please arrive 10 minutes prior to the appointment time. This allows relaxation and playtime for your child.
- Due to OSHA regulations food and drink are prohibited in our office.
- New patient forms and an appointment card with the date and the time of the appointment. Please complete all the forms prior to the appointment.
- Our office is located in Bridgeport Village shopping mall.

EXIT 290 Off I-5 head west on Lower Boones Ferry Rd and enter into Bridgeport Village, head towards NW corner of the mall.

Upper Boones Ferry Rd to Findlay Rd. (Map Quest or Google Maps will direct you to go this route, but if you are coming from I-5, going through Bridgeport Village will be faster).

- There is reserved parking for our patients.
- Payment is requested at the time of service. If you have insurance we will collect the *estimated* amount not covered at each appointment. We will be happy to file your primary insurance claim for you. Please bring your insurance card to the first appointment.

We are looking forward to meeting you and your child.
