PLEASE READ AND INITIAL EACH STATEMENT:

_____ **Consent for treatment:** I do hereby consent to necessary examinations procedures and/or treatments prescribed by my dentist, his/her assistants, or designee as is necessary in his/her judgment.

_____ **Financial responsibility:** I understand that I am financially responsible for all charges whether or not they are covered by insurance. Payment is due at the time of service. As a condition of your treatment by this office, financial arrangements must be made in advance, prior to treatment. The practice depends upon reimbursement from the patients and the insurance companies for the cost incurred in patient care. However, the patient is responsible for any unpaid balances remaining after insurance payment. (All insurance companies give you one year to collect from them, then it become the patient's responsibility, make sure you follow up on your dental insurance.) **Cash, credit card, check, or debit may be used to make payments. We cannot legally accept a post-dated check.** A service charge of 1.5% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied. **All unpaid balances exceeding 90 days (without prior arrangements) will be turned over to a collections agency.**

_____ **Patient's Co-payments / Insurance:** I understand that any co-payment that is collected at the time of visit is an estimate. I understand my insurance might determine that they will pay for a less costly service than the covered service performed by the dentist. **For example, Composite fillings and porcelain crowns may be downgraded to the amalgam filling or full gold crown benefit if your insurance plan pays a benefit based upon a less costly service, we will charge the patient or patient's dependent for the difference between the service that was performed and the less costly service. This may be the case, even if the service is performed by an in-network dentist. I also understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient's examination. Furthermore, I understand that it is ultimately my responsibility to find out if my insurance is **in or out** of network with Whitestone Dental.

***Each patient is ultimately responsible for verifying his or her individual insurance plan coverage.

_____ **Assignment of benefits:** I request that payment of authorized insurance benefits be made on my behalf to Whitestone Dental for any service furnished. I understand that Whitestone Dental submits my dental insurance claims to my insurance company as a courtesy. I hereby give by Whitestone Dental permission to submit all of my dental insurance claims to my dental and or medical insurance company on my behalf electronically and by mail, and to receive payment from my insurance company directly. A photocopy of this assignment is to be considered as valid as the original until revoked.

_____ **Appointment Deposit:** Procedures scheduled for 1 hour or more will require a prepayment deposit. This amount will be determined based on the specific treatment scheduled. This amount will be applied toward the full amount due at the time services are rendered.

_____ **Returned check policy:** I understand that I will incur a fee of **\$ 35.00** for any returned checks.

_____ **Contact information:** I understand I am responsible for providing accurate billing and contact information. I also understand that it is my responsibility to inform Whitestone Dental of any changes to keep this information current.

_____ **Cancellation & No – Show Policy:** It is Whitestone Dentals policy to optimize the time our doctors and hygienists spend with each patient. This is intended to give every patient a personalized dental visit. Therefore, each patient's appointment is scheduled for the appropriate time needed. As a courtesy, Whitestone Dental will attempt to contact each patient/guardian to confirm your appointments the day before; ultimately it is the your responsibility to keep track of your appointments. Patients/guardians who arrive 10 min late from the time the appointment is scheduled, or cancel an appointment less than 24 hours form the scheduled time will incur a **NO SHOW / CANCELLATION FEE** of **\$75.00** (Appointment with Doctor) and **\$50.00** (Appointment with Hygiene). Once you have missed an appointment we reserve the right to collect a non-refundable deposit to secure another appointment. This applies per patient/per appointment. Whitestone Dental, reserves the right to discontinue patient care if an established patient misses three (3) appointments without providing one business day notice of cancellation. Patients or guarantors/guardians of established patients will be notified in writing if there have been three missed appointments. This will result in the termination of the dentist/patient relationship.

_____ **Email correspondence:** I agree to allow Whitestone Dental to correspond with me/my family by email. This includes appointment reminders and other correspondence. Listing or not listing my email on my patient paperwork shows that I allow or don't allow this type of correspondence.

_____ **Authorization to release information:** I, the undersigned, do hereby authorize, Whitestone Dental to release information regarding my care to any referring providers/specialties. This includes necessary transfer of information/x-rays by email/electronic transfer. Whitestone Dental complies with all HIPPA regulations.

I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver or any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit were instituted hereunder.
