Consent for Services and Financial Arrangements

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance, and your understanding of our payment policy. Payment for service is due at the time service is rendered. For your convenience, payment can be made with cash, check, American Express, Discover Card, Master Card and Visa. Returned checks and balances older than 30 days will be subject to additional fees and interest charges of 1.5% per month. There may also be charges for broken appointments and appointments canceled without 24 hours advance notice.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize, however, that your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services that they will not cover. We must emphasize that as dental care providers, our relationship is with you, not with your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered.

I grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment. I have read the above conditions of treatment and payment and agree to their content.
