### Earth Day!

The week of April 25<sup>th</sup> we will be celebrating our beautiful earth. Our students will learn all about the 3 R's: Reduce/Reuse/Recycle. We will review the geography of the earth and we plan to create collages using the items the earth provides. Above all it is important that our students learn the importance of protecting our earth so we have added one more "R" which is respect and our virtue word for this month.

### AMA Family Night at Chuck-E-Cheese!

### A Special "Thank You!"

To our Challenger student Trinity whose dad, Dustin Fike, who is a police officer for the Orange County Sheriffs Department for talking to our students about safety and Eddie Eagle gun safety. Eddie Eagle says "STOP, don't touch, leave the area, tell an adult" our students were able to sit in a police squad car & hear the sirens, it was exciting for all!

### From the Director

Get ready for another exciting month with wonderful opportunities for all our students to grow & learn.

Career Week was a big success! Thank you to those parents who took the time from their very busy schedules to be with us and present their chosen career to our AMA students. Our students learned all about being a doctor, a lawyer, working for Coca-Cola Company, being a veterinary doctor, a soldier in the Army, a teacher, and all about recycled plastics. Our students have so many careers to choose from

Plans are already being made for our Graduation & End Year Concert on June 24<sup>th</sup>, this year's theme is "Celebration"

so be prepared to be entertained, "look out American Idol & Dancing with the Stars" the AMA children are the best!!!
