

Virtue - Fairness

August Summer Themes

August 2-6: All about the Farm

We will learn about life on a farm and have an ice cream party on Friday, Aug. 6

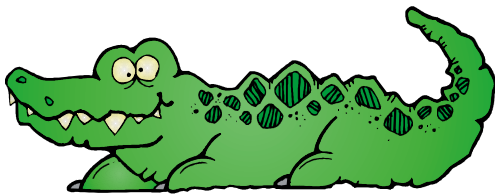

August 9-13: Outer Space

Students will be making their own creative rocket ships and learning about the wonders of outer space and our universe.

August 16-20: Visit to the Zoo

Bring a special stuffed zoo animal to school on Wed. Aug. 18. During this week we will talk and learn about different animals you might see at the zoo.

August 23-27: Camping with Teddy Bear

We will have a picnic on Friday, Aug. 27, don't forget your teddy bear!

Used Uniform Sale

Please join us on August 18 and 19 between the hours of 3-6:00pm. We don't have as large of a supply as in previous years so don't miss out. If your child will not be returning in the fall, please consider donating your uniforms.

Uniforms

Our new school year begins on September 1st. Students must arrive in their uniforms (due to their size, Firecrackers are not required to wear uniforms). Please be advised that a note will be given if your child is out of uniform; you are allowed 5 emergency free dress days.

Last Friday of Summer Camp Party

On Friday, August 27 we are planning a picnic so please look for sign ups for our end of summer picnic party.

Teacher In-Service Day

We will be closed on Tuesday, August 31st as our teachers prepare for a new school year.

Update Current Information

Is everything in your child's file current? This is a good time to update your information such as a new work phone number or cell phone number. Please see Ms. Arilda to update any new information you may have.

Annual Materials Fee

Every September you will notice a \$150 charge for the materials fee. Please let

your director know if you would like to break this into 3 monthly payments of \$50 for September, October and November.

Next Month

Labor Day: We will be closed for Labor Day on Monday, September 6.

School Picture Days: September 16 & 17

Back to School Night: Monday, September 20

A Note From the Director

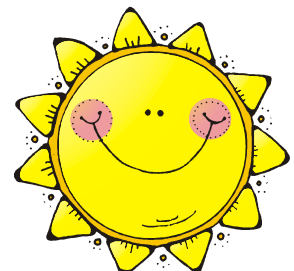

It seems that summer just arrived and now it's coming to an end. The teachers here at AmeriMont Academy have done a wonderful job at keeping our students actively learning and providing creative, fun summer activities.

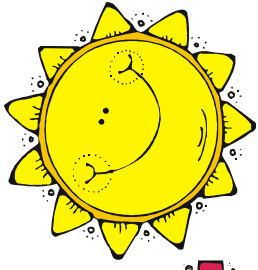

Now we are preparing for a new school year. I am proud of our students and the educational start that we at AMA provide. I see our children with a positive attitude towards learning and I am confident that the skills & abilities our staff has fostered will carry with them as they move on.

Some of our students will be leaving us this month of August and although we are sad to see them go we know they are off to great horizons and we are honored to have been part of their early childhood educational experience.

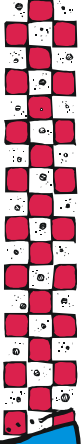

Thank you for joining us this summer and we look forward to a great new school year!

- Ms. Arilda
