Summer School

We are a year round school where academics continue through July and August. Homework will be given if requested otherwise it will resume in September. The AMA staff is eager for our summer activities and providing a summer to remember for our students!

July Summer Themes

Our summer themes will coordinate with our summer field trips:

July 4 - 8: Patriotic Week

July 11 - 15: Under the Deep Blue Sea

July 18 - 22: A Magical Science Week

July 25 - 29: Take Me to the Zoo

As always Fridays are share days. We would like for students to bring something pertaining to that week's theme if possible.

Summer Safety

Please apply long lasting sunscreen in the morning and remember to have your child wear only closed toe shoes.

Uniforms

During our summer months of July and August uniforms are optional. True Grits is offering a 10% discount from Tuesday, July 26 thru Saturday, July 30. Orders can be placed at the store or online and online purchases have free shipping to the school. We will also soon have samples that will be kept at the school so that you can have your child try them on without having to go to the store.

From the Director

Is it true that all good things must come to an end? We had a wonderful school year with so many great memories to reflect on and now we find ourselves having to say goodbye to some of our students. We wish all of our families that are moving on the best success and hope you come by to visit. We are excited in welcoming and getting to know our new families. Life is truly a cycle. I would like to thank you our parents for making this another great year!
