Summer is Here!!!

We have planned a fun summer with our students in mind! Our staff is excited to continue our academic curriculum and to add to the excitement we have created themes that will capture our students imagination. So here we go!

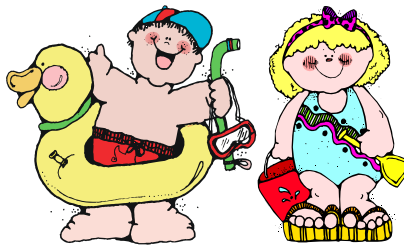

July 5 - 9: Patriotic Week, wear red, white and blue week

July 12 - 16: Ocean & Beach, Friday 7/16 we will have a splash day

July 19 - 23 Dinosaurs special dinosaur movie

July 26 - 30: Creepy Crawlers, we will be going on bug hunts!

As always Fridays are share days. Please bring something pertaining to that week's theme, such as books & stuffed animals.

Optional Programs

Our optional programs will continue during summer, please look for sign ups on the front counter. If you are a part time enrolled student, it is important that you inform Ms Arilda of your summer enrollment into an optional program in order to avoid any extended care charges.

Policy Reminders

Vacations

Understanding that families take vacations and do other activities during this time, for those attending during the summer, up to two (2) weeks of not attending and not paying tuition can be taken during July and August with advance notice of at least one (1) day.

Withdrawals

A thirty (30) day advance notice must be given to withdraw your child from the school. This must be in writing on our form and given directly to the school director.

To help us with our planning for fall, if your child has graduated and you will be attending another school, please submit your withdrawal forms as soon as possible.

Re-Enrollment

If you will be withdrawing but plan on returning for the fall, please sign a new contract so that we can reserve your child's placement.

Homework

As we have gone into a year round school academics will continue but not everyone would like homework during the summer months. If you would like for your child to receive homework, please inform your child's teacher and homework will be given.

Concert & Graduation

It's not too late to order your DVD of the event. Our students had a lot of fun and did an outstanding job performing on June 18th. A special congratulations to all of our graduates and a big thank you to our teachers and Ms. Arilda!

A Note from the Director

This summer we have many new families that have decided to be part of our AmeriMont Academy family and I would like to take this time to say "welcome" and thank you for choosing the best for your child. I am looking forward to a fun summer.

I would like to mention because we have reduced class sizes and typically this is the time our staff takes time off some of our classes may be combined at times.
