From the Director

We had a wonderful school year and now we find ourselves having to say goodbye to some of our students that are moving. We are grateful for the memorable times we've had with these special children and wonderful families.

Some parents have had questions:

- If you do not submit a withdrawal notice your enrollment status continues
- If you submit a withdrawal notice for summer and plan to return in September you need to turn in a new signed contract to secure the spot for September. If your info has not changed you only need to write your child's name and sign the contract.
- First day of school is Tuesday, September 1st.

Now we look forward to our summer!
