Manchester, CT

Drs. Joel Rosenlicht, D.M.D. and Ryaz Ansari, D.D.S.

are board certified oral maxillofacial surgeons. They provide a full range of services to meet the needs of patients seeking specialty dental care. Utilizing the latest techniques and technology, they ensure the highest quality of care, coordinating your treatment with the finest dentists and physicians in the community. Recent enhancements in their office include 3-D dental imaging, less invasive laser surgery and all contemporary procedures involving dental implants.

Dr. Rosenlicht has been an industry leader and consultant in the field of dental implants and has placed over 15,000 implants. He is currently President of the American College of Oral and Maxillofacial Surgery as well as the President of the American Academy of Implant Dentistry.

Dr. Ansari, uses state-of-the-art technology for implant surgery. He has also completed a fellowship in both TMJ and facial cosmetic surgery. He is past President of the Manchester Dental Society.
