Prominent Plastic Surgeon Dr. Henri P. Gaboriau Featured in NEWBEAUTY MAGAZINE

National glossy magazine is widely regarded as the ultimate cosmetic enhancement guide.

Seattle, WA October 25, 2006—Seattle-area-based plastic surgeon Dr. Henri P. Gaboriau is featured in the latest issue of **NewBeauty** magazine, which was released on newsstands across the country on October 3rd. Dr. Gaboriau is currently the director of the Sammamish Center for Facial Plastic & Reconstructive Surgery, which is based in Sammamish, Washington. Dr. Gaboriau is expert in all aspects of Facial Plastic and Reconstructive Surgery, and has over 12 years of experience and expertise that ranges from the traditional face-lift, eyelid surgery, and nose surgery to the advanced endoscopic forehead lift. He has also had extensive training and experience in the treatment of head, neck and skin cancer.

Dr. Gaboriau is widely considered to be a pioneer in the early use of Radiesse and is a member of the Radiesse® MEF Medical Education Faculty. He is part of the Botox® Cosmetic National Education Faculty.

Dr. Henri Gaboriau is also expert in psychological issues related to plastic surgery, ranging from the pre-operative psychological assessment of facial cosmetic patients to facial plastic surgery as it relates to personality disorders. He has received national recognition for his expertise in the psychological aspects of plastic surgery. Dr. Gaboriau is the only plastic surgeon in the nation to write questions pertaining to the psychological side of cosmetic surgery for the annual national board of facial plastic and reconstructive surgery. He is also in charge of reading and choosing articles pertaining to this subject for the Fellowship Compodium.

The Fall issue of NewBeauty marks Dr. Gaboriau's first appearance in this magazine. NewBeauty is the first publication devoted exclusively to providing a comprehensive guide to the latest advances in plastic surgery, dermatology and cosmetic dentistry, as well as revealing the best non-surgical beauty secrets, "must-have" products and expert advice. Launched in January 2005, NewBeauty instantly struck a chord with consumers. With nearly 11.5 million cosmetic surgical and nonsurgical procedures performed in 2005,

NewBeauty fills the void for reliable information on all types of aesthetic procedures. NewBeauty has a distribution of 500,000 copies and is available at newsstands, airports, supermarkets and retailers across the country, as well as in all Nordstrom stores.

To ensure the accuracy of information in NewBeauty's pages, the publisher established the Editorial Advisory Board, composed of recognized experts and surgeons in their respective fields. Dr. Henri Gaboriau is Board Certified and a diplomate of both the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology/Head and Neck Surgery. He is also a member of the American Academy of Otolaryngology/Head and Neck Surgery, the American Academy of Facial Plastic and Reconstructive Surgery and the American College of Surgeons.

Originally from France, Dr. Henri P. Gaboriau obtained his first medical degree at the School of Medicine in Paris. He then transferred to Tulane University School of Medicine in New Orleans, La., where he received his second medical degree in 1994. He stayed at Tulane Medical Center to do his residency in the field of Otolaryngology/Head and Neck Surgery. Following his residency, Dr. Gaboriau moved to Seattle to do a Fellowship in Facial Plastic and Reconstructive Surgery at the University of Washington.

Dr. Gaboriau devotes time to voluntary humanitarian and service activities to Indian Health Service, in South Dakota, and Obstetric-Gynecology at La Rabta Hospital in Tunis, Tunisia. Dr. Gaboriau is the co-founder of the non-profit organization "Heart 2 Heart," dedicated to helping disfigured, battered children, and he provides facial plastic surgery to injured children at no charge.

In 2000, he opened the Sammamish Center for Facial Plastic and Reconstructive Surgery. Located at 22840 NE 8th Street, Suite 103, Sammamish, WA 98074, (425-898-1228), the Sammamish Center for Facial Plastic & Reconstructive Surgery is an Eastside facility featuring a state-of-the-art Ambulatory Surgical Center and a Medi-Spa. The Center provides a full range of services including microdermabrasion, European facials, pre/post surgery treatments, laser hair removal and glycolic peels.
