RECENT TESTIMONIALS FOR DR. TED AND HIS TEAM:

Sara N.

“The whole experience was the best I have ever had in a dentist’s office, and what is great about this office is that it is ‘one-stop-shopping’ in that there is general dentistry and periodontal and cosmetic dentistry. It has taken me years to find what I consider to be the Best of the Best.”

Laura F.

“Such a wonderful team!! I have (or should say HAD) a huge fear of going to dental appointments- to the point that I was avoiding going for multiple years!

That all changed once I met Dr. Ted and his team. Now, I go religiously every six months. They make the whole process really wonderful! I can’t say enough positive things about them!”

Bonnie P.

“Simply The Best And Elegant! My experience has been and continues to be the BEST! The environment is very warm, friendly and professional from the moment you enter the office. I have never thought of leaving and pursuing another dentist. I travel from Boston and look forward to every appointment. This was my 6 month cleaning. I rate it a 10+++”

Robert L.

“Thanks to you, with my new veneers I can truly say that I feel awesome! I never realized that before my dental makeover how self conscious I felt about my smile. I wish I had you restore my smile years ago- it’s one of the best things I’ve ever done for myself!”
