

Smiles for Life

Benefitting Children's Charities since 1995

It's that time again, ***Southgate Dental Group***, is participating in the annual Smiles for Life Campaign. Last year our office raised over \$6,000.00 for Southgate Schools special needs program.

This year our chosen charity is one of our patients, Amanda Keys. Amanda was diagnosed with congenital heart disease when she was 6 months old and has struggled with health problems all her life. Amanda's doctors say a heart transplant is her only hope for a second chance at life. She is currently on the transplant list at Childrens Hospital of Michigan. A heart transplant costs approximately \$750,000. For the rest of her life she will need follow-up care and anti-rejection medications. The cost of post transplant medications can range from \$2,000.00 to \$5,000.00 per month.

Southgate Dental is offering to do a professional teeth whitening for \$99.00 March 1st to June 30th, 2009. This donation is 100% tax deductible. Half the proceeds will go to Amanda Keys and the remaining will go to the Garth Brooks National Foundation for children. In addition all bleaching supplies and refill kits will be tax deductible also.

For more information, please call our office at 734-281-0880, visit us on our website www.southgatesmile.com, or on Facebook at Southgate Dental Group.

Thank-you

Dr. David Sorial and Staff
