

OPERATION BUY-BACK

DATES:
TUESDAY, Nov. 1
WEDNESDAY, Nov. 2
THURSDAY, Nov. 3
TIME: 2:00 TO 6:00 P.M.

Halloween is coming and usually it's hard for your dentist to get excited about that day because of all of the candy kids will eat. However, this year will be different. Don't you just wish that on the day after Halloween your kids' sacks full of candy would just disappear? Well, we can help, and this is something we are **very excited** about! **This year we'll buy the candy back from your kids.** We're not kidding! Sure, they can have a few treats on Halloween night and maybe even keep a couple more for later in the week. But we'll take the rest of it and pay them for it! The candy will then be shipped overseas to our courageous troops (who could sure use a treat or two!) serving our country in the Middle East. In return we'll give your kids \$1 per pound of donated candy (up to \$5). They can still dress up, go out, have fun and yes, even eat some of their candy. But after picking out the best of their stash, they will probably have pounds left and **nobody** needs that much candy!

We will have goody bags for the kids (no candy) and some raffle prizes for the adults. We will also accept any additional candy you are willing to donate. This is a community service that our office is providing. We want to give back to our patients, as well as support our military troops. Won't you do your part? If you want to see how happy it has made our troops in the past, please go to www.operationbuyback.com and watch some of the short videos. We look forward to seeing you and your family on Nov. 1st, 2nd and 3rd!
