

OPERATION BUY-BACK

DATE:
TUESDAY NOV. 1,
WEDNESDAY, NOV. 2,
THURSDAY, NOV. 3
TIME: 2:00 TO 6:00 P.M.

The office of Dr. Walter Rapacz will be hosting “OPERATION BUY BACK” on Tuesday, Wednesday, Thursday, November 1,2,3 from 2:00 p.m. to 6:00 p.m. What is “OPERATION BUY BACK”? Dentists across the nation are joining together and offering to pay **children** \$1 per pound (up to \$5 per child) of Halloween candy they collected. The candy then will be shipped overseas to our courageous military troops. In our attempt to give back to the community and our patients, Dr. Rapacz and his staff wanted to participate again this year. The time, money, and effort are being donated by his office and staff, as well as, a few select neighborhood businesses which expressed interest in participating in this great event.

This community project helps on several levels:

- Global sugar consumption for kids increases about 2% annually and currently is 50 million tons per year, which means parents need to be sure their kids teeth are being cared for more than ever. Excess candy can lead to hyperactivity and weight gain, as well as the wrong types of candy can lead to broken teeth and damaged braces.
- Our service men and women can always use a boost. The OPERATION BUY BACK project represents a warm memory of life “back home” and serves as a reminder that children care enough to donate candy in support of our troops. Those troops are risking their lives every day. If a little piece of candy can provide a moment of happiness, why not participate?.

Please take time to acknowledge our sponsors as well. A list of our sponsors are listed on the next tab for your viewing. We take pride in being part of a community that gives back!
