

## Cancellation Policy

We understand that interruptions to your schedule occur and we appreciate that you are subject to issues of family, health and emergencies of multiple proportions.

The team at Lisa Kederian DDS wants you to know that we schedule time for you in order to focus upon your oral health concerns. We make every effort to make your time here at our office pleasant and productive. We take pride that our appointments are as efficient as possible and that you are not subjected to lengthy waits in our reception area. We wish to make appointments that will accommodate the time necessary to treat you and that will allow for your best comfort.

All appointments, when made, have a specific date, time of day, and length of stay as well as the fees for the planned services in order that you are able to gauge your valuable time.

1. **If you are not able to meet your appointment, we request a 24 hour notification at the prior working day.**
2. **If you do not notify us in a timely manner, you will be charged a minimum cancellation fee of \$50 for the period of time that you set aside in our schedule.**

Thank you for your understanding
