President’s Message

With spring upon us once again it reminds me that our Oklahoma Dental Association Annual Meeting is drawing near. The Annual Meeting will be held April 25th-27th at the Tulsa Convention Center and Double-Tree Hotel in Downtown Tulsa. Make plans now for you and your staff to attend this wonderful meeting right in our own backyard. Dr. Gordon Christensen, Dr. Michael DiTolla, and Dr. Ross Nash are this year’s headline speakers. These doctors have presented at the biggest meetings across the country and world! Make sure to take advantage of this member benefit and support the hard work of the ODA staff and the 2013 Annual Meeting Planning Committee chaired by Dr. Blake Henry, who have placed a tremendous amount of time and effort to make this meeting a reality.

We will also have our Breakfast and Learn, Lunch and Learn, and our own Dr. David Wong will be presenting this year’s ODA Live! continuing education. Head Football Coach of Tulsa University, Bill Blankenship, will kick off our meeting at the Opening Session with a presentation entitled “Teamwork”. Coach Blankenship is a wonderful speaker, and if you weren’t able to hear him at our TCDS evening meeting this past year, this is your chance! If you haven’t noticed, there is programming for every member of your team including your spouse. Visit www.okda.org today to see an entire list of programming and registration details.

Tulsa is truly fortunate to have a continuing education venue of this caliber. It is up to our membership to take advantage of this benefit and support the Annual Meeting by you and your staff’s participation at the ODA Annual Meeting April 25th-27th.

Do you believe that your membership within the ADA, ODA, and TCDS is relevant, valuable, and meaningful?? If you answered NO, then we want to hear your thoughts and ideas at our ODA Membership Summit which will be held on June 14th, 2013, at the OU College of Allied Health, Room 1046. This program will focus on the changing face of membership within an association. Keynote speaker and author of “The End of Membership as We Know It”, Sarah Sladek, will address the many challenges facing associations today and will give insight on how our organization can build a sustainable, prosperous, and next-generation association! Contact Kristen Kelly, Membership Services Manager, to register today. Kristen can be reached at kkelly@okda.org or 1-800-876-8890.

On a legislative note, our Dentist Day at the Capitol this past February 26th was definitely a success and TCDS had a very good representation for the event. I would like to thank all who were in attendance that day and/or evening. The ODA’s bill, SB 975 by Senator Rob Johnson and Representative Dan Kirby, which will require that all dental claims, when being reviewed for medical necessity, be reviewed by a licensed dentist in the United States. SB 975 will also require that, if the claim is denied based on medical necessity, the dental plan benefit consultant (reviewer) include in all communication with the treating dentist, his or her name, applicable specialty designation, U.S. License number with the state of issuance, and direct phone number so that the treating dentist can contact him or her with questions. This bill has passed the Senate and has now been assigned to the House Public Health Committee, chaired by David Derby (Tulsa and Rogers Counties). This bill should be heard in Committee soon, and if it passes Committee, it will then be sent to the House of Representatives for a full vote. This is a wonderful piece of legislation produced by the ODA that looks out for not only the interest of our members, but for our patients’ interests, as well, to ensure they receive the dental benefits they deserve and work so hard for everyday. Call representative Derby today and ask for his support of SB 975!

Finally, make sure you get June 28th marked on your calendar for our annual Tulsa County Dental Society Golf Tournament at Forrest Ridge Golf Club. Details to follow. This is always a fun event that gives you an opportunity to catch up with colleagues and even meet someone new in the dental community!

Hope to see you all April 25th-27th at the Tulsa Convention Center!

Respectfully,

Lindsay A. Smith, DDS,
Tulsa County Dental Society President
