Greetings colleagues and friends! I am honored and thankful for the opportunity to serve as your President of TCDS for the next year. For those of you I have not met, I would like to give you a short introduction. I am a second-generation orthodontist with practices in Tulsa and Bixby. My wife, Kathy, and I have five crazy kiddoes - four boys and one girl. Kathy and I graduated from Baylor College of Dentistry in 2001, and I completed my orthodontic residency at St. Louis University. I am very excited about the opportunity to help out our Society this year!

As you know, we take a break from our evening meetings during the summer. We will continue to have our evening meetings at Ti Amo this fall, and the all day meetings will be at the Renaissance. Dr. Chris Mastin has been working to secure a fantastic line-up of speakers for the coming year. Thank you, Chris! We look to have an outstanding year of entertaining speakers this year.

I would like to extend a big “thank you” to Kyle Shannon for the outstanding job he did for us as TCDS president over the past year. Kyle did a top-notch job of ensuring that our organization remains strong.

Two of our members deserve a heartfelt “thank you” and “attawaytogo” from all of us. Dr. Jim Torchia and Dr. Bruce Horn are stepping down from their roles in representing Tulsa dentists and Oklahomans after many years of service. Dr. Torchia has served TCDS and Oklahoma in various roles – most recently as our ADA delegate for a number of years. Dr. Horn has done a tremendous job – and often thankless job – as President of our state Board of Dentistry. Thank you - Jim and Bruce - on behalf of all of your colleagues and friends at Tulsa County and all across Oklahoma!

Rhonda and I recently attended a meeting at the Tulsa Health Department. The Health Department’s new director, Bruce Dart, PhD, invited various dental clinics and programs throughout the region with the goal of creating an environment of good relations and effective communication among the various groups. The attendees included representatives from the dental arm of the Health Department, Morton Health Center, Catholic Charities, Eastern Oklahoma Donated Dental Services, Neighbor for Neighbor, and TCDS. Throughout the coming year, I would like to highlight some of these clinics and programs that provide dental care to those less fortunate.

Dr. Michael Spradlin serves as the Dental Director for Catholic Charities. He and his staff – along with volunteer dentists – provide dental care for the underserved population of Tulsa. Blessed Mother Teresa Dental Services was created as the dental clinic for Catholic Charities. Please read about the program and services provided by Catholic Charities in this issue of the newsletter.

Our next event is the 10th Annual TCDS Molar Open at Forest Ridge on Friday, June 17th. The course was recently renovated and is in fabulous condition. The Molar Open is always one of the highlights of our year. A good time will be had by all – regardless of your golf skills! Call Rhonda at 918.451-1017 to sign-up. Please make plans to attend today.

Please let me know if you have any feedback regarding our Society. Best wishes for a fun and successful summer!

Yours truly,
Blake
TULSA COUNTY DENTAL SOCIETY

ODA News

CONGRATULATIONS to our TCDS members who received 2011 ODA Awards:
Dr. James Torchia – James A. Saddoris Lifetime of Leadership Award
Dr. Rieger Wood, III – ODA Dentist of the Year Award
Dr. Steve Lusk – Robert K. Wynne Award for Dental Education and Public Information

CONGRATULATIONS to Dr. Stephen Glenn elected ADA Delegate and Dr. Rieger Wood, III, elected ADA Alternate Delegate!

MANY SPECIAL THANKS TO DR. BRUCE HORN FOR YOUR OUTSTANDING SERVICE AS PRESIDENT OF THE OKLAHOMA BOARD OF DENTISTRY!
CONGRATULATIONS to Dr. Steve Lusk, elected District 2 Representative on the Oklahoma Board of Dentistry.

On behalf of all Tulsa County members, thank you very much Dr. Jim Torchia for your many years of continuous service as ADA Delegate! Your commitment to organized dentistry in Oklahoma has been tremendous.

Special thanks to Dr. Lindsay Smith, Chair for the 2011 ODA Planning Committee, for a job very well done! Congrats, Lindsay, on a very successful state meeting!

Mark your calendars and plan on attending the Thursday, July 28th ODA’s New Dentist “After Hours CE” that will be held in Tulsa at the Henry Schein Dental Company – 12101 51st St, #106 at 6:00 pm. Dr. Kent Wyatt plans to present an interesting seminar regarding restorative options for the cracked tooth.

TCDS Mediation Review Committee

Thank you so much, Dr. Ben Baty, for your thankless work as serving as our chairman of the TCDS Mediation Review Committee for the past 8 years! We can’t thank you enough for your service.
Thanks to Dr. Scott White for your willingness to serve on the Committee. We know you will do an outstanding job.
Due to Dr. Steve Lusk’s recent election to serve on the Oklahoma Board of Dentistry, we have an additional opening on the Mediation Committee. Please let Rhonda know if you have interest in serving on this Committee. Thank you!

Volunteer Dentists Needed!

One of our own, Gary Fincher, DDS, is undergoing chemo treatments and will be out of his office for a number of months. We’ve always rallied for our colleagues! Any day, any hour – volunteer dentists are needed to help out! Contact Diane or Vicki at his office 918-492-7010. Our “Get Well Soon Wishes” are with you, Finch!
**In Memoriam**

Our thoughts and prayers are with Drs. Frank and Leah Sommer and their family in the unexpected passing of his son Mark.

Dr. Vincent M. Kelly, Jr., a Tulsa native and Cascia Hall graduate who practiced orthodontics for 45 years in Tulsa and Claremore passed away April 27th at the age of 78. Vince is survived by his wife Aleatha, five daughters Kevin Okrzesik, Leslie Nicholls, Karen Hewett, Carolyn Kelly and Kathleen McCarth; three stepchildren, Dr. Lori Hare-Frazee, Jeffrey Guthrie and David Guthrie, and 14 grandchildren. He served as a Captain in the Air Force for 2 years practicing dentistry. In 1961, he returned to UMKC where he did his residency in Orthodontics and earned a Master of Science in Oral Histology. Associate Professor of Clinical Orthodontics at OU and St. Louis University, he taught and lectured extensively to Orthodontists worldwide. He developed lingual braces and held several patents in the field of Orthodontics. He was a Diplomat of the American Board of Orthodontists since 1969 and the European Board of Orthodontists. Vince loved cooking and teaching. In 1969, he earned his pilot license. He was an avid hunter, fisherman, and sportsman. He was a respected restaurateur in Tulsa. In 1990, he helped reorganize the Tulsa chapter of the Chaine Des Rotisseur and served as Baille for over 10 years. Vince also had a long history of volunteering his time and refined tastes on behalf of nonprofit groups. For the American Lung Association, he started and was chairman of the Beaujolais Nouveau, an annual wine and gourmet dinner event. A longtime board member and patron of Tulsa’s Natureworks who donated toward more than a dozen of the group’s 22 public wildlife monuments and arranged the annual gourmet dinner for the group’s stewardship award presentation. Our dental family has lost one of our finest. The Vincent M. Kelly Jr Memorial Scholarship Fund has been established to provide scholarships to the University of Oklahoma College of Dentistry. Contact the Arvest Bank Peoria Branch - 3409 S Peoria Ave, Tulsa, OK 74105, to contribute.

**Welcome New TCDS Members**

Chase Bennett, DDS – 1616 S Denver Ave – Tulsa, OK 74119  
2011 Graduate of the University of Oklahoma  
Dr. Bennett and his wife Kelsey reside in Tulsa, and they enjoy skiing, scuba diving, golf, soccer and walking their dogs Sutton and Ryder!

Deborah Gill, DDS – 6141 E 91st St – Tulsa, OK 74137  
Previous member that we are happy to welcome back to TCDS!
Catholic Charities ~ Blessed Mother Teresa Dental Services

Blessed Mother Teresa Dental Services was created in recognition of the tremendous need for dental care for the underserved and unserved population of Tulsa. The dental center is located on the Catholic Charities campus at 2450 N Harvard Ave in Tulsa.

This represents the first time dental care has been provided through Catholic Charities of Tulsa. Planning for the center was provided by a committee of local dentists who remain committed to the success of the center. Formal dedication of the center was December 7, 2009, and the first patients were seen on January 12, 2010.

The new facility is nicer than many dental offices. It consists of three operatories, completely outfitted with modern chairs, units and instrumentation. All equipment is either new or “gently used”. The center has been fortunate to receive generous contributions of both funds and equipment from various dental offices, suppliers, charitable organizations and others, making it possible to completely furnish the facility.

The dental center targets the needs of people of all ages who are considered working poor or indigent. People needing care come directly to the center, or they may be referred from other social service organizations or Catholic Charities’ programs.

People who come for care are asked to provide a social history to help identify those who might have third-party dental benefits. Those with third-party benefits are referred to the appropriate provider network or Medicaid clinic. Only patients without insurance are treated. Thus, patients are never charged for services of any kind, including laboratory costs that might be incurred for the fabrication of necessary dental prosthetics.

The dental center staff consists of a volunteer dental director, a paid dental center coordinator, plus two chairside assistants. The center provides examination and hygiene services through the involvement of students from the OU Dental Hygiene School in Bartlesville and the TCC Hygiene Program in Tulsa. In addition, registered hygienists from the Tulsa County Dental Hygiene Society volunteer monthly to provide hygiene care. A Tuesday evening clinic, staffed by volunteer dentists from the local area, provides extractions and relief of pain. Other days of the week, local volunteer dentists provide restorative treatment and removable prosthetic services. During the first year of operation, the center provided care through more than 1,100 treatment appointments.

The Oklahoma Board of Dentistry has approved continuing education credits for dentists who volunteer their services through centers such as Blessed Mother Teresa Dental Services. We urge all dentists to consider volunteering at the center. If you are interested in volunteering, please contact John O’Neill of Catholic Charities at 918-505-7125, or find out more by visiting their website: CatholicCharitiesTulsa.org; choose Volunteer/Dental Center.
Awards Banquet

CONGRATULATIONS to all who received well-deserved awards at our March Awards Banquet:

Dr. Sarah Fox - The McBride Table Clinic Award for Most Innovative Table Clinic
Dr. Steve Hogg - The President’s Special Appreciation Award in recognition of the many hours and untiring effort he devoted to creating our Tulsa County Dental Society’s Online Directory.
Dr. Ben Baty - The President’s Special Appreciation Award in recognition of his outstanding and unselfish contribution to serving eight years as chairman of the Tulsa County Dental Society’s Mediation Review Committee from 2003 to present.
Dr. Kathy Henry - The James A. Saddoris Award for outstanding contribution to organized dentistry.
Dr. Kyle Shannon - The A.L. Walters Memorial Award for outstanding TCDS Dentist of the Year for 2010.

Four EODDS Awards recipients:
Dr. Mike Kincaid - The General Dentist of the Year Award
Dr. Ray Beddoe - The Specialist of the Year Award
Dr. Neil Hasty - The Program II General Dentist of the Year Award
Dr. Chris Mastin - The Program II Specialist of the Year Award

Drs. Kyle and Pat Shannon

Drs. Steve Lusk and Neil Hasty

Drs. Mike Kincaid and Steve Lusk

Drs. Steve Lusk and Ray Beddoe
Hunter’s Horn
By Nick Hunter (quiz found by Steve Glenn)

Male or Female?

You might not have known this, but a lot of non-living objects are actually male or female! Here are some examples. See if you can identify the correct gender. (Answers below)

1. Freezer bags
2. Photocopiers
3. Tires
4. Hot air balloons
5. Sponges
6. Web pages
7. Trains
8. Egg timers
9. Hammers
10. The remote control

Answers:
1. Freezer bags are male, because they hold everything in, but you can see right through them.
2. Photocopiers are female, because once turned off, it takes awhile to warm them up again. They are an effective reproductive device if the right buttons are pushed, but can also wreak havoc if you push the wrong buttons.
3. Tires are male, because they go bald easily and are often over inflated.
4. Hot air balloons are also a male object, because to get them to go anywhere, you have to light a fire under their butt.
5. Sponges are female, because they are soft, squeezable, and retain water.
6. Web pages are female, because they’re constantly being looked at and frequently getting hit on.
7. Trains are most definitely male, because they always use the same old lines for picking up people.
8. Egg timers are female because, over time, all the weight shifts to the bottom. (Ouch)
9. Hammers are male, because in the last 5000 years, they’ve hardly changed at all, and are occasionally handy to have around.
10. Female. Ha! You probably thought remote controls would be male, but consider this: it easily gives a man pleasure, he’d be lost without it, and while he doesn’t always know which buttons to push, he just keeps trying.
Classifieds

The Tulsa County Dental Society lists the following classified ads and employment opportunities as a service to our members. We do not screen or evaluate the applicants. It is your responsibility to check references.

Hi, My name is Chris Armistead and I am a volunteer with the Ward-Wiseman Animal Haven in Collinsville. We are a no-kill animal shelter and are a 501(c)3 non-profit. We have been given the opportunity for a mobile veterinarian to come out to our shelter bi-weekly and provide vet services to our animals, including spay/neuter, shots, minor surgeries, and exams. We are in desperate need of a small used or new autoclave, and I thought the Tulsa County Dental Society would be a great organization to ask. We would be happy to promote the donation in our newspaper, newsletter, and our website. The donation of an autoclave would be tax-deductible. Please let me know if you can help us. Thank you! Chris Armistead Ward-Wiseman Animal Haven www.wwahonline.org chris@wwahonline.org 918-798-3688

2. For you do it yourselters...
   a. On “Profile” page, select “choose file”. Note: please keep image file size small so that the pages will load quickly. You can reduce image size through your own imaging software or by right clicking on the file in Windows Explorer, select SEND TO/MAIL RECIPIENT option and email the picture to your own email address. You get an option to reduce the picture size when you send it. The new file will be much smaller and will still look fine in the directory.
   b. After file is selected, click “upload” on profile page. You may have to refresh page or re-open browser to view the change.

**Please direct questions, comments, or suggestions to Rhonda or Dr. Steve Hogg.**
