January/February 2009

Leading Edge Dental Care

Delta Dental Patients Take Note

Effective January 1, 2009, our office contracted with Delta Dental.

We will observe the Premier Plan, however, all patients who have Delta will be permitted to use our services. Your co-pay might vary according to your particular plan.

We made the decision to accept this insurance type in an effort to help you, our patients, and potential new patients,

better maximize their benefits in these uncertain economic times. We feel that you deserve to obtain your desired dental care without concern. We hope this will help you achieve your dental dreams.

If you have friends or co-workers who have Delta Dental insurance and may need a dental home, please refer them. Our current referral program will be extended to those new patients.

If you have questions regarding this new program, please call our office.

We will be happy to review your plan.

Inside this issue:

Sweetheart Special	2
Gone Green	2
Spring Basket Drawing	2

Special points of interest:

- Ask Dr. Hat

February Is National Children's Dental Health Month

How many times per day do you brush?

Do you know the proper way to brush?

Do you use floss?

Do your gums bleed when you brush?

Do you know the difference between healthy and "not so" healthy foods?

Do you see your dentist on a regular basis?

These, and many more,

questions can be answered by our dental staff.

Preparing children now will lead to healthier and happier teeth in adult years.

SWEETHEART SPECIAL

Teeth Whitening!!

Regular fee is \$750. Sweetheart Special \$450.

Couples (2 for \$799)

Now is the perfect time to get the beautiful smile you've always wanted!

Gift Certificates Available.

WE HAVE GONE GREEN

We are doing our part to save the planet!

In an effort to help the environment and save our landscape, we made the commitment to recycle all paper, plastic bags, cardboard, metal and aluminum cans and plastic packing materials.

It does not take much and you will be surprised at how little trash you actually have after everything goes in the recycle bin.

SPRING BASKET DRAWING

Every patient who is seen the month of March will have a chance to enter our drawing for a great Springtime Basket. You may enter more than once!! Just another reason to keep your dental appointment!

Referral Program

Referrals are our greatest compliment. It is also our number one source of new patients.

Our referral program has been very successful and we appreciate your confidence in us.

ASK DR. HAT

I consume a lot of soft drinks. Is this bad for my teeth?

Soft drinks contain sugar and caffeine and have no nutritional value. The acid can weaken tooth enamel. We recommend switching to tea or seltzer. Be patient! Adjusting a habit takes time and desire. Call for a "free" consultation.
