

At **Dr. Pearl Zadeh's** office we understand that the use of non toxic restorative material is better for both your dental and overall health. We utilize materials that are most bio-compatible with your oral cavity and body.

In addition at Dr. Pearl Zadeh's office we provide to our patients:

- Digital xrays that offer 1/10th of the radiation of traditional xrays
- Safe removal of all mercury toxic fillings under rubber dam and oxygen
- Replacing the old mercury fillings with bio-compatible materials
- Invisalign, metal free and cosmetic alternative to traditional metal braces
- We offer Care Credit, an affordable payment program
