Acknowledgement Receipt of Legal Forms

California law requires dentist to provide copies of the following legal documents to the patients. Patients must **choose one option** below. We recommend obtaining forms electronically to minimize paper waste.

Notice of Privacy Practices – describes patient’s right to privacy and requires the office to engage in practices to protect the patient’s personal information.

Dental Materials Fact Sheet – summarizes the most frequently used dental materials in the dental office and discusses advantages, disadvantages, benefits and risks in using these materials.

- I would like to obtain copies of the forms.
- I would like to view/download the forms from the website myself.
- I would like to have the forms emailed to me. Email _____
