

Confirming, Cancellation and No show Policy

We want to thank you for choosing our practice for your dental care. We would like to make you aware of some policies at Queen Dental Care Center.

We offer text and/or email to confirm your appointments. If it is preferred we will call your home phone if text or email is not available. You will also receive reminders before your appointment by text and/or email. In order to serve our patients more efficiently, we do require confirmation of an appointment or 24 hours notice prior to any cancellation. There will be a fee of \$50 for each appointment cancelled without 24 hours notice or not showing up for a confirmed appointment.

This policy is strictly in place to reduce the number of last minute cancellations and provide more efficient care to our patients. You can also visit our website for additional information at www.queendentalcarecenter.com. Again, we want to thank you for allowing us to provide dental care for you.
