Thorndale, PA-----

Thorndale Dental Associates is participating in several community events this fall. Dr. Richard E. DeForno and his entire staff ask for the community's support and donations. The lineup of events includes Operation Military Christmas Package, Halloween Candy Buy Back, a Thanksgiving Food Drive and Toys for Tots.

Operation Military Christmas Package is sponsored by the East Brandywine Township Building and Hibernia United Methodist Church. Thorndale Dental Associates is proud to serve as a designated drop off location for donations. If you would like to take items to Thorndale Dental Associates, please do so by October 22nd. Donations will also be accepted at the East Brandywine Township Building until October 24th. Operation Military Christmas Package is celebrating its third year to honor and thank the young men and women serving our country in Iraq and Afghanistan. This year's goal is to send 300 stuffed stockings to our brave military personnel. Suggested donations include: Christmas cards from you, pocket size games and puzzles, music CDs, playing cards, pocket size books, deoderant, chapstick, candy, beef jerky etc. For a complete list, please contact Thorndale Dental Associates or Sandy Moser at the East Brandywine Township Building.

Halloween Candy Buy Back is calling all kids, who want to make a quick buck! Thorndale Dental Associates invites you to bring your Halloween candy into their office the week after Halloween (11/2/09- 11/5/09).

Dr. DeForno will pay \$1.00/pound of candy. The candy collected will be donated and sent to our troops serving overseas!

Thorndale Dental Associates along with many other local businesses will be sponsoring a Thanksgiving Food Drive to support the many food banks in Chester County. The food drive will be held at the dental practice on Thursday, November 19th, 2009 from 8-10 a.m. "We are honored to sponsor such a worthy cause," said Dr. Richard E. DeForno. "There are so many people, who are hungry and need our help. We, as a community have an opportunity to make an impact in the lives of others and we encourage everyone to participate." Thorndale Dental Associates encourages all local businesses and community members to participate and invites them to bring Thanksgiving boxes, which include the following items: 10-12 lb frozen turkey, canned vegetables, boxes of mashed potatoes, cans of turkey gravy, cans of cranberry sauce, cans of pumpkin or apples, canned juice etc. Please contact the practice for additional information or visit the Community Involvement page on Thorndale Dental's website.

Toys for Tots is always in need of new, quality toys. Help bring a smile to a child's face this Christmas morning by donating an unwrapped toy. Thorndale Dental Associates will be accepting toys from November 30th through December 17th. Each person, who donates a toy, will receive a coupon to receive \$150 off teeth whitening with ZOOM![®].

Thorndale Dental Associates provides an anxiety-free atmosphere and all types of dentistry are provided including basic, restorative, sedation, cosmetic, and implant dentistry. Dr. DeForno offers oral and IV sedation, sleep apnea treatment, TMD dysfunction treatment, digital radiography, one visit root canals, teeth whitening, on site crown and bridge laboratory and so much more. To learn more about Dr. DeForno and the services he provides, please contact his office at 610-384-2541 or visit www.thorndaledental.com
