

SPRING IMPLANT SPECIAL

4 Mini Implants Placed and Attached To Your Lower Denture For Only \$3,200!

That's right; If you have a lower denture in good condition, we can see you for one visit and you will leave with the denture "locked" in place, ready to eat foods that you have only recently dreamed about! You will be able to "snap" your teeth in and out to clean them every evening, but otherwise, they will not move!
