Our office will file your claims with most dental insurance carriers to assist you in receiving your benefits. However, we make no guarantee of any estimated coverage. Because your insurance policy is an agreement between you and your insurance company, all patients are directly responsible for all charges. CO-PAYMENT and/or YOUR ESTIMATED PORTION OF ANY CHARGE IS DUE ON THE SAME DAY OF THE SERVICE. If for any reason your insurance has not paid your claim within 60 days from the date of service, you are responsible for full payment at the time. In this event, once full payment is received in our office, we will assist you in receiving reimbursement from your insurance company. We will file only with your primary dental insurance.
