Our practice is committed to providing exceptional oral health care in a timely manner. Due to the nature of a prosthodontic practice, a significant number of our patients come to us with comprehensive dental problems which dramatically affect their quality of life. It is our mission to improve these situations with the proper, conscientious care.

Therefore, it is very important that we respect all scheduled appointments for all of our patients. These appointments are considered confirmed at the time that they are made. We will call you as a courtesy to remind you of your appointment. Because a substantial amount of time has been set aside for you, we must charge \$69 per hour for appointments missed with the doctor and \$25 per hour for appointments missed with the hygienist. Please contact the office **two business days** in advance, if you need to reschedule, to avoid this charge.

On behalf of all of us here at Hart & Coco Prosthodontics, as well as our other patients, we thank you for your understanding in this matter.
