Dr. Amin Taba and his friendly staff have been providing high-quality care for thousands of beautiful smiles in Seattle's North End. We've earned the trust and respect of our patients by treating our patients like family, and providing them with the best care achievable.

EXPERIENCED CARE FOCUSED ON YOU AND YOUR SMILE. Dr. Taba's approach to giving you a beautiful, healthy smile is founded on vast experience, training and genuine care for your whole family. As a graduate of The Ohio State University School of Dentistry he completed two years of General practice residency, where he served his second year as a chief dental resident. Dr. Taba continues his advanced training annually at Scottsdale Dental Education Center. He is able to combine technical know-how, an artistic eye and true concern for your oral health to help you smile with pride and confidence. Dr.

Taba is currently a member of the American Dental Association, Washington State Dental Association, King County Dental Society and the American Academy of Cosmetic Dentistry.

COMPLETE DENTISTRY FOR HEALTHY SMILES THAT LAST. Dr. Amin Taba provides comprehensive dentistry including crowns & bridges, cosmetic bonding, teeth whitening, veneers, dentures and partials, root canal therapy, oral surgery, pediatric dentistry and restoration of dental implants. Our office provides a relaxing view of Lake Washington and utilizes current technology including the use of dental laser and digital x-rays. We combine experience, service, comfort and technology to focus on dentistry that gives great results.

*"Commitment, integrity and genuine care are the cornerstone of our family dental practice. We listen to your concerns to provide you with the dental care you expect and deserve."*
