

the beautiful, comfortable choice
for Removable Partial

Accessories available for your practice ▶

More and more dentist are requesting TCS® Unbreakable for their patients

TCS® Advantages:

- Lightweight and Comfortable
- Virtually Undetectable in the Mouth
- Ideal for Patients of all Ages
- High Odor and Stain Resistance
- No Metal
- Monomer Free
- Repairable and Relineable (teeth can be added)
- Available in 4 Shades
- Tooth Preparation is not Required
- Guaranteed Unbreakable

Tips

1. For best results use lightweight alginate impression material.
2. When making adjustments with a hand piece, set at a low speed and use rapid back and forth scraping movements. Do not use a lot of pressure nor leave the bur in one spot.
