### Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

# DENTAL TREATMENT CONSENT FORM

Patient Name \_\_\_\_\_

Please read and initial the items checked below and read and sign the section at the bottom of form

**1. WORK TO BE DONE:**

I understand that I am having the following work done:

- Fillings \_\_\_\_\_
- Bridges \_\_\_\_\_
- Crowns \_\_\_\_\_
- Extractions \_\_\_\_\_
- Impacted teeth removed \_\_\_\_\_
- General Anesthesia \_\_\_\_\_
- Root Canals Therapy \_\_\_\_\_
- Other \_\_\_\_\_

(Initials \_\_\_\_\_)

**2. DRUGS AND MEDICATIONS:**

I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting, and/or anaphylactic shock (severe allergic reaction.)

(Initials \_\_\_\_\_)

**3. CHANGES IN TREATMENT PLAN:**

I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the dentist to make any/all changes and additions as necessary.

(Initials \_\_\_\_\_)

**4. REMOVAL OF TEETH:**

Alternatives to removal have been explained to me (root canal therapy, crowns, and periodontal surgery, etc.) and I authorize the Dentist to remove the following teeth \_\_\_\_\_ and any others necessary for reasons in paragraph #3. I understand removing teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved in having teeth removed, some of which are pain, swelling, spread of infection, dry socket, loss of feeling in my teeth, lips, tongue and surrounding tissue (Paresthesia) that can last for an indefinite period of time (days or months) or fractured jaw. I understand I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.

(Initials \_\_\_\_\_)

**5. CROWN, BRIDGES AND CAPS:**

I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge, or cap (including shape, fit, size, and color) will be before cementation.

(Initials \_\_\_\_\_)

**6. DENTURES, COMPLETE OR PARTIAL:**

I realize that full or partial dentures are artificial, constructed of plastic, metal, and/or porcelain. The problems of wearing these appliances have been explained to me, including looseness, soreness, and possible breakage. I realize the final opportunity to make changes in my new dentures (including shape, fit, size, placement, and color) will be the "teeth in wax" try-in visit. I understand that most dentures require relining approximately three to twelve months after initial placement. The cost for this procedure is not included in the initial denture fee.

(Initials \_\_\_\_\_)

**7. ENDODONTIC TREATMENT (ROOT CANAL):**

I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment, and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment, I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy.)

(Initials \_\_\_\_\_)

**8. PERIODONTAL LOSS (TISSUE AND BONE):**

I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacements and/or extractions. I understand that undertaking any dental procedures may have a future adverse effect on my periodontal condition.

(Initials \_\_\_\_\_)

I understand that dentistry is not an exact science and that, therefore, reputable practitioners cannot fully guarantee results. I acknowledge that no guarantee or assurance has been made by anyone regarding the dental treatment which I have requested and authorized. I have had the opportunity to read this form and ask questions.

My questions have been answered to my satisfaction. I consent to the proposed treatment.

**FINANCIAL POLICY**

**INSURED PATIENTS:** We will be happy to process your insurance forms as a service to you. If we have to re-bill your insurance because of incorrect insurance information given to us, there will be an additional charge of \$5.00 for each claim.

**INSURANCE BENEFITS:** Benefits depend solely on what the purchaser (employer) wishes to offer. Some plans cover as little as 15% or as much as 100% of covered services with most falling in the 50% to 80% range. The insurance contract is between the patient and the insurance company.

**“USUAL AND CUSTOMARY”:** Patients should be aware that some insurance companies will only pay claim percentages based on their evaluation of what is “usual and customary” and not on our fee schedule. Our fees are filed with and approved by Delta Dental Services.

**PRE-AUTHORIZATION:** It is the patient’s responsibility to inform us if their insurance company requires a pre-authorization of intended treatment. We will be glad to preauthorize your treatment. Pre-authorization takes between 4-6 weeks.

**ACCOUNT BALANCE:** *Account balance is due in full within 60 days* of services rendered regardless of any previously paid co-payment and/or outstanding insurance claims. The patient is responsible for the financial portion the insurance does not pay. All adjustments will be done after insurance payment is received. We suggest you contact your insurance company if payment has not been made within 30 days from the date of service.

**INTEREST:** 18% Annual interest may be charged on accounts with balances over 60 days.

**PATIENTS WITH NO DENTAL INSURANCE:**

We request that payment be made at the time of treatment.

**RETURNED CHECKS:** \$25 will be charged for non-sufficient checks returns.

**APPOINTMENTS,** If you must cancel or re-schedule your appointment we request the following:

**General Dentist - 48 hour notice to cancel or reschedule is required to avoid \$50 charge.**
