

Aesthetic Dental Practice

FINANCIAL AGREEMENT AND OFFICE POLICY

In order to maintain quality care for all our patients, we only assign one appointment per patient at a time. We do not over-book our appointment schedule, in order for the doctors and staff to give you the very best care. We ask that you give us the courtesy of 24 hours advance notice if you are unable to keep your reserved appointment so that another patient may be able to have their treatment. If we do not receive this advanced notice there will be an office visit fee of \$50.00.

Please be aware co-payments are due the day treatment is rendered. You the patient are fully responsible for any amount the insurance should not pay. If you have any deductibles or copayments as per your insurance company, payment is due at the time treatment is rendered. Since Aesthetic Dental Practice prides itself on the best standard of care we do all our fillings with composite resin, (a white color filling material that is bonded to your teeth). There is a slightly higher co-payment for these fillings.

EMERGENCY VISIT POLICY

If applies, I agree to pay Aesthetic Dental Practice their fee for this emergency visit. Any reimbursement from the insurance company shall go directly to me. Should for any reason the insurance company reduce these fees, the fees agreed upon will remain.

Although, we do verify your insurance company, ultimately it is your responsibility to be knowledgeable of your own benefit coverage.

We value you as our patient and are committed to the highest quality dental care.

Thank you for your cooperation and confidence in choosing Aesthetic Dental Practice as your dental health care provider.
